The Secret Origin of Jeff Smith's BONE Comes to Light! NYT Bestselling Author Smith Returns to his Roots with a New Collection of His THORN College Strips Cartoon Books announces THORN: The Complete Proto-BONE College Strips 1982 to 1986, and Other Early Drawings, reprinting the entire run of his earliest rendering of the world-famous BONE characters for the first time.

The comic strips reveal an early version of BONE called THORN that was written for a college audience in the 1980s. THORN appeared five days a week in the pages of The Ohio State University's student newspaper The Lantern. A few were reprinted in a self-published 1983 book called THORN: Tales from The Lantern. Another small selection was published in 2008's limited edition fundraiser for OSU's Billy Ireland Cartoon Library & Museum called Before BONE. Both books are long out of print and sell at collector's prices. There has never been an official, complete run published until now.

This beautiful edition includes plenty of bonus material such as recently discovered early drawings of the BONE characters, essays and interviews.

"These college strips are an essential element in Smith's journey toward BONE. But they're their own unique tale too!"

- Comic Book Couples Counseling Podcast

"Read BONE the graphic novel, and read THORN: The Complete College Strips, and compare them...you have basically just taken maybe the best masterclass in cartooning."

- James Kochalka, creator of Monkey vs Robot and Johnny Boo

RUBEN BOLLING'S AWARD-WINNING COMIC STRIP OF POLITICAL HUMOR RETURNS WITH A BRAND-NEW VOLUME!

"This fine collection of work by Mr. Bolling provides ample evidence as to why he is unanimously considered one of the greatest cartoonists in the known universe. How he would rank in that other part of the universe is, of course, a matter that's still being hotly debated within the scientific community."
- "Weird Al" Yankovic

"IT'S THE GREAT STORM, TOM THE DANCING BUG!" THE COMPLETE TOM THE DANCING BUG, VOL. 8: 2020-2023

Writer and Artist: **Ruben Bolling**

Clover Press's *Complete Tom the Dancing Bug* program bursts forward with the eighth chronological volume, covering all of the most recent installments of the comic strip, a two-time Pulitzer Prize Finalist, from 2020-2023.

It's the Great Storm, Tom the Dancing Bug! includes Bolling's award-winning work covering the last year of the Trump presidency and the post-term MAGA insanity. All the favorite *Tom the Dancing Bug* characters try to make sense of the dark times of the early 2020s, including: the Smythe family of Chagrin Falls; Lucky Ducky, the poor little duck who's rich in luck; and Billy Dare, Boy Adventurer. Also in the volume is Bolling's comic contribution to "Weird Al" Yankovic's hit graphic novel, *The Illustrated Al*.

Tom the Dancing Bug is the wildly popular, groundbreaking comic strip that has won multiple awards, including the Herblock Prize, the Berryman Award, and a Robert F. Kennedy Journalism Award. Mark Hamill called it "wondrous, whimsical, and witty," and Seth Meyers recently wrote, "The fact that Tom the bug can keep dancing in this day and age is a testament to Ruben Bolling's skills as a cartoonist!"

Not that the ritzier spots on the Strip haven't come calling, of course. But since a devastating instance of magic gone wrong that forever changed the course of her childhood, Zatanna would much rather live out her days as a top-hat-and-fishnets-wearing sleight-of-hand stage act than bother with real magic. These days, she doesn't think much of the past at all.

That is, until an interdimensional vortex cracks open during Zatanna's act, and a terrifying demon crawls out to kill her. If she hopes to survive the horrors that follow it, she'll need to take herself and her power seriously for the first time in a long time—and fast. Because when it comes to your past, you can run...but you can't hide forever!

When Harleen signs up to participate in a clinical research trial with her girlfriend, Pamela, her only goals are extra cash and a chance to control her anxiety. But what she gets instead are increasingly larger

gaps in her memory and stolen mementos from some guy named Jack. Soon, Harleen discovers she's sharing her life with Harley—a take-no-prisoners, who-cares-about-attendance, maybe-we-oughta-save-the-bunnies kind of girl. She is the opposite of Harleen in every way. And although she's throwing Harleen's life completely off track, maybe she ain't so bad either...

Things could not possibly be worse for Fire and Ice, in Beatriz da Costa's professional opinion. Superman sends the former Justice Leaguers packing for Smallville following an extremely public and utterly disastrous rescue mission (that was all Guy Gardner's fault, thank you very much) and in doing so doomed them to a fate worse than death: irrelevance.

Unexpectedly, Ice finds herself drawn to the quiet life and dreams of planting roots. But Fire...well, Fire will do just about anything to get the heck out of dodge and back on the hero circuit—including challenging the DCU's biggest villains to a knock-down, drag-out, livestreamed brawl in the streets of Smallville!

A raucous, timely, unflinching comedy from rising star Joanne Starer (*The Gimmick*, *Sirens of the City*) and *Moon Girl* and *Devil Dinosaur* co-creator Natacha Bustos about a decades-long friendship on the brink of disaster and what it means to be a superhero at a crossroads in your life, *Fire & Ice: Welcome to Smallville* launches from its Justice League International roots and introduces the iconic duo to a new generation of fans! The Wendy Award

WALTER SCOTT

Everybody's favorite party girl Wendy is so back

When Wendy is nominated for the coveted National FoodHut Contemporary Art Prize alongside her friend Winona, all of her millennial dreams seem to be coming true. She lives a post-pandemic, polyamorous fine artist's lifestyle in the big city and basks in the glory of national attention with the success of her popular comic strip, "Wanda."

But not even achieving bona fide art star fame can hide the truth: a never-ending struggle with imposter syndrome. After she cracks in an online interview and gets dragged in the comments section, she heads straight to a local watering hole to drown her sorrows. Several lines of coke, too many drinks, and one all night rager with fans later, Wendy is ready to curse Gen Z and confront her addictions. All the while, she and Winona drift apart as a younger Indigenous artist wedges herself between them. Will Wendy's commitment to change wind up short-lived?

The Wendy Award incisively skewers the art world with its corporate overlords, performative activism, generational wealth, and weaponized therapy speak. A showcase of Walter Scott's deft wit and social commentary, *The Wendy Award* asks the hard questions, like Do they still give awards to men? Should we be grateful for the exposure? And what exactly is Big Auntie Energy?

Vera Bushwack

SIG BURWASH

***A uniquely thrilling and emotive
fantasy ride along a sea-bordered highway***

The wondrous rustic landscape of Nova Scotia bursts from the page in *Vera Bushwack*, where reality gladly gives way to fantastical flights of fancy before gently coming back down to earth. A chainsaw fires up and Drew's vision blurs. Their body vibrates alive with the whrrr of the engine, the whiff of gas. Drew dissolves as their alter-ego, Vera Bushwack, takes charge. Assless-chaps-wearing, unflinching Vera slashes through thick trunks, felling trees righteously from the back of a majestic steed.

Vera's here to help, of course. Drew needs to clear the land for their future cabin in the woods. And if it weren't for Vera's brazenness, Drew may, ironically, fall reliant on others to learn self-reliance. Nevertheless, men enter Drew's orbit, all too eager to explain how things work—an aggravating occurrence that comes crashing into Drew as dependably as the nearby ocean waves.

Joy, anger, grief, and self-acceptance ripple through these pages with Sig Burwash's hilariously expressive pencil drawings and flair for buoyant watercolors. Approaching something like liberation, our protagonist comes to terms with past traumas, boundaries, and the many expressions of themself.

ONE FOR SORROW #1

JAMIE McKELVIE IS BACK WITH HIS FIRST SOLO CREATOR-OWNED PROJECT IN OVER A DECADE!

London, 1900. The capital hums with the energy of the new era, but something darker lurks beneath the surface. A monstrous figure stalks the city's criminal underworld at night, leaving a trail of bloody corpses in its wake. Rumors about the mysterious killer spread like wildfire. It's a demon. A phantom. An angel of vengeance.

Nothing can kill it. Nothing can stop it. And once it picks a new target, well, he better have a coffin picked out, because he's already dead.

The only clue that a baffled police force has to work with is the black and white feather left on each corpse, leading the press to dub the killer The Magpie. Is The Magpie killing at random, or is there a pattern that no one else can see? Three individuals, strangers to each other, might together have the answer.

The artistic mastermind behind THE WICKED + THE DIVINE, CAPTAIN CARTER, and CATWOMAN: ONE BAD DAY is back with a new comic unlike anything he's created before. ONE FOR SORROW is an intensely stylish, supernatural suspense thriller, full of kinetic action, bloody revenge, and ghostly mystery.

NEW RELEASES**

HATE REVISITED #1

By Peter Bagge

UPC 615200816094-00111
\$4.99 / Comic book / 24 pgs / FC / 6.6" x 10.3"

Peter Bagge returns to the series that defined a generation with this all-new, four-issue monthly miniseries! Buddy and Lisa, now middle aged with a free-spirited young adult of their own, confront their own poor decisions as young people in the grungy 1990s. Expertly shifting between the present day (in full color) and their Gen X heyday (in glorious, crosshatched B&W), we learn for the first time the story of how Buddy met Lisa, Stinky, George, and Val. Meanwhile, Buddy is forced to come to terms with the tragic — and covered-up — circumstances of Stinky's untimely death (way back in *Hate* #27). *Hate Revisited* expertly showcases Bagge's inimitable humor and knack for character, and the generational shift lends an unexpected gravitas to their lives. This is the must-have comic of the summer!

IRIS: A NOVEL FOR VIEWERS

By Thé Tjong-King & Lo Hartog van Banda

ISBN 978-1-68396-955-6
\$24.99 / SC / 136 pgs / FC / 8.5" x 11.5"

Available for the first time in English, this first-ever Dutch graphic novel is a tour-de-force in all its 1960s psychedelic, pop art, and playfully erotic glory. A young woman, Iris, has her heart set on a singing career, and, despite her

boyfriend Mark's warnings, is seduced by the capitalist producer, "dream lover M.G." He molds her into a megastar, which leaves Mark peddling her merch: a life-sized Iris (sex) doll. Attempts to rescue Iris come to nothing; all they accomplish is allowing the dream lover to go on playing his games.

WALT DISNEY'S DONALD DUCK: THE 90TH ANNIVERSARY COLLECTION

By Various

ISBN 978-1-68396-953-2
\$59.99 / HC / 368 pgs / FC / 7.5" x 10.25"

In honor of Donald Duck's 90th anniversary, join us in tracing his comics career from 1934 to the present! Carl Barks' "Lost in the Andes" and Don Rosa's "Return to Plain Awful" take the Ducks to the legendary land of square eggs — while

Romano Scarpa's "Legend of Donald Hood" pits Donald against Scrooge in a feature-length Sherwood Forest spoof! Marco Rota's "Life and Times of Donald Duck" traces our hero from birth — as a wild duck in a nest?! — while William Van Horn's "The Black Moon" finds outer-space peril threatening Duckburg! From Daisy to Gladstone to Gyro and the Beagle Boys, the gang's all here!

HOGBOOK AND LAZER EYES

By Maria Bamford and Scott Marvel Cassidy

ISBN 978-1-68396-773-6
\$19.99 / HC / 64 pgs / FC / 7.75" x 11"

Lazer Eyes is the perfect graphic novel accompaniment to Maria Bamford's acclaimed Netflix series *Lady Dynamite*, depicting her unlikely romance with painter Scott Cassidy. In a twist, the whole charming story is told through the eyes of their adopted rescue dogs. Cassidy's fine art training translates with ease into graphic storytelling, with a naturalistic illustrative style that is a pitch-perfect match for Bamford's comic timing.

SCHTICK FIGURES: THE COOL, THE COMICAL, THE CRAZY

By Drew Friedman,
foreword by Kliph Nesteroff

ISBN 978-1-68396-934-1
\$29.99 / HC / 128 pgs / FC and BW / 9" x 12.5"

A new collection of recent color and black-and-white portraits of comedians (Gilbert Gottfried, Groucho Marx, Selma Diamond, Moms Mabley, Brother Theodore), writers (Kurt Vonnegut, Alan Zweibel, Bruce Jay Friedman, Arnie Kogan), musicians (B.B. King, Bob Dylan, Al Kooper, Sammy Davis, Jr., Weird Al), directors (Buster Keaton, Elaine May, Terry Zwigoff), comic book legends (Max Gaines, Bill Gaines, Kelly Freas, Ron Turner), actors (Boris Karloff, Lon Chaney, Jr, Rondo Hatton, Peter Falk) and other famous, infamous, and

not-so-famous human beings. In addition to over 100 full-page images, this collection features the never-before-collected eight-page comic strip, "R. Crumb and Me."

J + K

By John Pham

ISBN 978-1-68396-956-3
\$19.99 / SC / 160 pgs / FC / 7" x 9"

Now in paperback, this colorful graphic novel follows lovable losers Jay and Kay, whose quotidian adventures are often hilarious and occasionally poignant, calling to mind everything from *Peanuts* to the work of Simon Hanselmann. Pham's bold use of bright color and high hilarity draws the reader in, only to slowly reveal extra layers of psychological acuity, character depth, and existential gravitas. This new paperback edition will feature a few of the extra items that were included in the hardcover edition package — collectible trading cards, a mini magazine with inserts, a sticker sheet, and a fold out map and poster — which will all be printed as interior pages within the book.

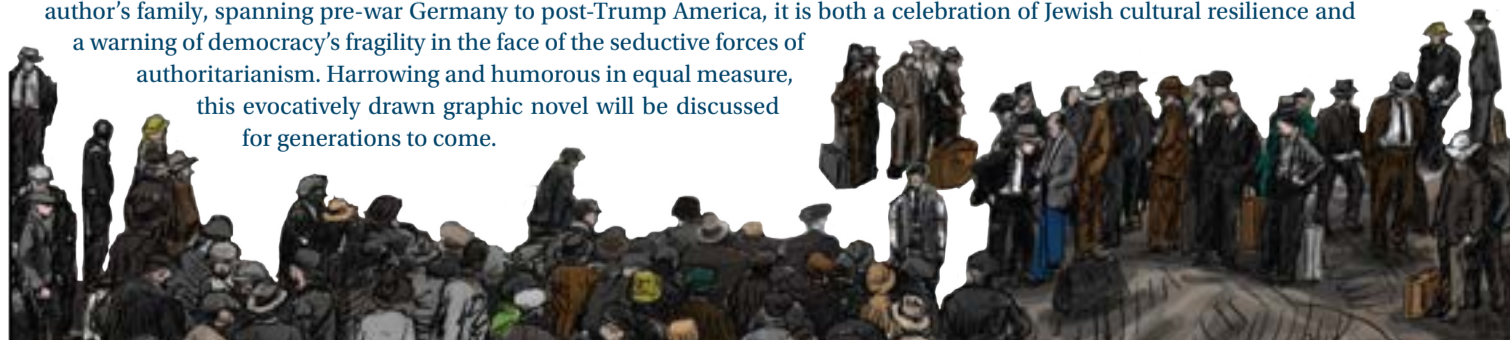

NEVER AGAIN WILL I VISIT AUSCHWITZ: A GRAPHIC FAMILY MEMOIR OF TRAUMA & INHERITANCE

By Ari Richter

ISBN 978-1-68396-962-4
\$34.99 / HC / 256 pgs / FC / 7.5" x 10.5"

Ari Richter weaves together the haunting stories of his grand- and great-grandfathers' imprisonment in Dachau and Auschwitz, and his own awakening to the rise of authoritarianism and anti-Semitism. Told from the perspectives of four generations of the author's family, spanning pre-war Germany to post-Trump America, it is both a celebration of Jewish cultural resilience and a warning of democracy's fragility in the face of the seductive forces of authoritarianism. Harrowing and humorous in equal measure, this evocatively drawn graphic novel will be discussed for generations to come.

THE PASSION OF GENGOROH TAGAME: MASTER OF GAY EROTIC MANGA: VOLS. 1 & 2

Edited by Graham Kolbeins &
Anna Ishii, designed by Chip Kidd

ISBN 978-1-68396-971-6
\$64.99 / 2-Vol. SC Slipcase Set / 688 pgs / BW with color / 7.1" x 10.1"

The often violent, visceral, and always provocative style of Japanese manga legend Gengoroh Tagame, one of the originators of Japanese bear culture, comes to life like never before in our two volume *The Passion of Gengoroh Tagame* series — the only English-language collections of Tagame's erotic work, celebrated around the world for its groundbreaking subject matter, masterfully crafted imagery, and unbridled exploration of bondage, lust, passion, and romance. A must-have for Tagame fans, as well as fans of bear cultures in general. (Please note: This book is a traditional work of manga, and reads back to front and right to left.)

NEW FROM FANTAGRAPHICS UNDERGROUND

READY AMERICA

By Anna Haifisch

ISBN 978-1-68396-942-6
\$19.99 / SC / 48 pgs / FC / 9" x 11.75"

Dogs in colorful sweatshirts, the glowing signs of a Vietnamese restaurant, solitary palm trees above the pavement: *Ready America* takes us on a ride through a both strangely familiar and quite alien Los Angeles. Packaging inscriptions, neon signs, and billboards fuse into an appealing typographic montage while familiar American icons peek out between stores and offices, clinics, and morgues. With her unmistakable wit, Anna Haifisch highlights the idiosyncrasies of a country in which catastrophes seem just as ordinary as the sight of a coyote in the Hollywood Hills.

STAN MACK'S REAL LIFE FUNNIES: THE COLLECTED CONCEITS, DELUSIONS, AND HIJINKS OF NEW YORKERS FROM 1974 TO 1995

By Stan Mack, foreword by Jake Tapper,
afterword by Jeannette Walls

ISBN 978-1-68396-916-7
\$50.00 / HC / 366 pgs / BW / 12" x 9"

Sketchbook in hand, Stan Mack haunted the New York City environs, watching, listening, overhearing, and interviewing its inhabitants. He drew a comic strip every week based on what he saw and heard, famously using verbatim dialogue for his graphic dramatizations. A mixture of humor, spontaneity, serendipity, and weirdness, Mack's comic strip snapshots caught New Yorkers — whether it is an extortionist calligrapher, a baby evading arrest at her first protest, a stroll up Broadway with a ferret, an evening with a male liberationist, or an unlucky-in-love dolphin trainer — being who they are in all their unguarded and uninhibited glory.

KATE CAREW: AMERICA'S FIRST GREAT WOMAN CARTOONIST

By Eddie Campbell

ISBN 979-8-8750-0021-8
\$30.00 / SC / 160 pgs / FC / 8.5" x 11"

Kate Carew was America's first great woman cartoonist, drawing for newspapers in the first two decades of the 20th century. She drew Sunday color comics and also interviewed and sketched many of the celebrities of her time including the Wright brothers, Pablo Picasso, champion heavyweight boxer Jack Johnson and the leading figures of the suffragette movement in the years before women won the right to vote. Her most endearing achievement was her cartoon alter ego "Aunt Kate," whom she sketched into the proceedings, turning graphic reportage into her personal adventure from San Francisco and New York to London and Paris.

HURRICANE NANCY

By Nancy Burton

ISBN 978-1-68396-983-9
\$30.00 / SC / 112 pgs / BW / 9.5" x 12.5"

Nancy Burton was among the earliest underground cartoonists, creating comic strips that appeared in *The East Village Other* ("Gentle's Tripout") and *Gothic Blimp Works* ("Busy Boxes") in 1966. Under the pen names "Panzika" and "Nancy Kalish" and most importantly, "Hurricane Nancy," she contributed to many notable underground comix including *It Ain't Me, Babe*. Drawing on abstract expressionism, art nouveau and formline art, working in parallel to the psychedelic art movement and outsider artists like Consuelo "Chelo" Amezcua, Burton's comics feature birds and people, dreamlike landscapes, and psychedelic imagery that grows darker as the 1960s come to a close, reflecting the darkening mood of the era and her uniquely personal vision of the world. *Hurricane Nancy* is the first collection of Burton's work ever published and reprints many of her comics and drawings from that politically tumultuous and creatively fecund period of American culture in addition to her more recent work.

The sun set on samurai and gunslingers at roughly the same time, but our two leads didn't die off quietly. In the West, the gunslinger MacRaith follows his revenge to the bitter end and pays the ultimate price.

The future lovers are mortally wounded a world apart and awake together in a purgatory ruled by a ruthless society of damned warriors. This one has it all—action, the dead, the dying, the undead, and of course...romance.

Sometimes I still dream about it.

I'm a little kid and I'm in a cave with hand-drawn symbols on the wall...

Crosses and pentagrams and unreadable words - the language of Hell?

All of it, painted in blood.

Sometimes it's tunnels, not a cave... but everything else is the same...

The adults chanting... Kneeling... Naked...

The shape moving inside the shadows, crawling towards us all...

That's when I usually wake up.

But sometimes it's later... after I feel its claws tearing into me.

WHAT ARE YOU, A JUNKIE OR SOMETHING?

NO... I JUST SMOKE A LOT OF POT...

WHY?

THERE'S A LOT OF NOISE IN MY HEAD...

JUST LIKE THERE IS IN *YOURS*...

YOU DON'T KNOW WHAT'S IN MY HEAD.

YEAH, WELL... NEITHER DO YOU.

Jesus Christ, do I hate kids...

Well, teenagers at least...

Teenagers need to be beaten more, like they were back in my day...

That's what I'm thinking about when I find the first camera...

HEY.

How much I want to go slap that stupid kid.

OH [REDACTED]...

GOD DAMN IT.

[REDACTED]... THAT CREEP.

WHAT IS IT?

WHAT HAPPENED?

WE HAVE TO MOVE, NOW.

WHY? WHAT'S GOING ON?

JUST SHUT UP AND LET ME THINK...

WAIT - ARE YOU PUTTING ME BACK IN THE TRUNK?

NO NO - PLEASE - DON'T!

YOU CAN RIDE IN THE PASSENGER SEAT...

BUT IF YOU GIVE ME ANY TROUBLE...

YOU!

I go blind for a second from the pain...

... THAT STUPID LITTLE ...

But I can hear the kid running out the door...

And I know I'm already...

GOD DAMN HER...

I wipe the tears away and run after her anyway.

SELF HELP #1

SERIES PREMIERE

Down-on-his-luck rideshare driver Jerry Hauser's existence is a bleak one...especially because every fare he picks up tells him how much he looks like uber-successful self-help guru Darren Hart. But after a twist of fate, Jerry is given the chance of a lifetime...which, if he's not careful, may well end his lifetime. So begins this California noir—a rollicking and gleefully lurid pulp crime story for our time.

In partnership with Devolver Digital and Massive Monster, acclaimed writer Alex Paknadel (*All Against All*, *Red Goblin*) and Eisner Award-nominated artist Troy Little (*Rick and Morty vs. Dungeons & Dragons*, *Fear & Loathing in Las Vegas*) comes a deviously delightful, heretic-smashing excursion into the sprawling cosmology of the worldwide, BAFTA-nominated video game phenomenon that IGN calls "adorably demonic"!

In a land pervaded by cruelty and evil, the most innocent among us—young Lamb, the last of their kind—was selected to become a final dark sacrifice. Their death would forever seal the darkest of the Old Gods from our realm and usher in a new age ruled by the four eldritch Bishops of the Old Faith. So Lamb died . . . then forged a deal of their own.

At the crossroads of eternity, Lamb was met by the imprisoned deity known as the One Who Waits, who revealed the lies and distortions of the false prophets who rule the world above.
